Dear Mary Anne:

This is in connection with Glendale Broadcasting Company's application for a new television station in Monroe, GA.

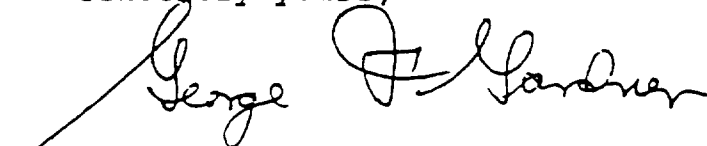

The sum of \$2,871,066 will be required to meet the construction and initial operation costs for three months. I am willing to loan to Glendale Broadcasting Company up to that amount for construction and initial operations costs. The loan will be for a five-year period at 9% interest. No collateral will be required. No principal or interest need be paid until the station has been broadcasting for six months. I have more than sufficient assets to meet this commitment. While I do not have net liquid assets totaling this amount, I have more than sufficient assets which I can sell to meet this loan commitment. I have identified specific assets which are unencumbered and that can be readily converted to cash or other liquid assets. The sale of those assets would provide me with sufficient liquid assets to meet this loan commitment. I am willing to sell such assets as are necessary to meet this commitment.

I intend to loan Glendale Broadcasting Company sufficient funds as it prosecutes its Monroe, GA application to meet all of its expenses on an ongoing basis.

Ms. Mary Anne Adams

This letter does not modify any of the terms of my letter to you dated December 20, 1991, regarding my obligation to loan Glendale Broadcasting Company sufficient funds to construct and operate the proposed Miami television station. I have more than sufficient assets to meet both loan commitments.

Sincerely yours,
